Michael Ros Winery is a family-owned boutique winery focused on providing high quality 100% Texas wine in a relaxed and welcoming Hill Country environment. Our first vineyard was planted in 2018 in the High Plains and was followed by the Fredericksburg location in 2021. Our tasting room is conveniently located just 1 mile off of Hwy 290 where the hustle and bustle melts away as you are surrounded by nature and a welcoming, hospitality focused team. We are proud to be the newest winery in the community and as such are committed to being eco-conscious and expanding our wine family to include both locals and visitors. Opened August 2023.

HILL & VINE

Our love of and passion for Texas Food & Wine is what inspired us to build this destination. We know wine, especially Texas Wine. We are built on the foundation of our love of quality and classic Texas Food. We grew up on the best Texas flavors from tender cuts to queso to fresh fish. Nothing but the best of Texas.

EVERY FAMILY HAS A STORY...

Welcome

to ours.

We say "our" because you're now an important part of it. We are a family of dreamers that stumbled upon an incredible piece of property that has been welcoming visitors for hundreds of years.

Our 14-acre estate was once home to local Native American tribes, evident by the incredible arrowheads we've found, testament to the early inhabitants that lived, hunted and thrived in this area, where the Pedernales River meets Three Mile Creek. These two waterways converge and provide ample resources to this day. The waters are rich with bass, carp, catfish and scores of turtles. Wildlife including axis, whitetail, rabbit and turkey have roamed the land and call this area home.

In the early 1900s, the Beckman family purchased this land and utilized it as a working ranch, farm and homestead. Generations of the Beckman have graced this property, until they passed their legacy on to Chris and Tia Aspra. The Aspra's undertook a massive cleanup and modernization of the property with the complete remodel and rehabilitation of the Beckman house, turning it into a wine tasting room. They added a two-acre vineyard planted with Tannat and Mourvèdre and truly brought the property back to life.

The newest stewards of this storied estate have the vision of sharing this very special place through delicious wine, unique events, and new stories to be shared for years to come. Josh and Candice White with their two children Dylan and Hudson, Mark and Kim Isbell and family, have come together to reimagine this property, tell its stories and share its soul with a whole new group of visitors.

With unique experiences planned in the historic buildings on property (like our Dance Hall and Ice House), Arrowhead Creek Vineyards future is brighter than ever. We welcome all to explore this wild land still brimming with stories new and old!
